BRANCH STILL IN JAIL.

Joseph P. Branch, the young white man charged with the betrayal of Miss Harris, went back to Jail yesterday for about the fifth time since he was first arrested.

The warrant upon which a hearing was had in the Mayor's Court yesterday charged the young the property of the proper remains of Freedent Jeferson Davis in Hony-wood on May 31st.

The camp adopted a handsome testimonial in honor or Coionel W. P. Smith, one of its ex-commanders. The paper embraced Colonel Smith's war record and referred in laudable terms to his military and civic career. The committee which drafted the resolutions was composed of Colonels James W. Pegram, John Murphy, and James W. White. The warrant upon which a hearing was had in the Mayor's Court yesterday charged the young man with having committed the offence in North Carolina. All the testimeny taken a few days ago, when Branch was held under another warrant, had to be taken over again, and it was after 2 o'clock in the afternoon when the case was disposed of.

The Mayor turned Branch over to the custody of the Bustings Court, and that court will decide next Monday whether he is to be held for the North Carolina authorities or discharged.
